

March 20, 2020

Parents:

Arkansas Gov. Asa Hutchinson has closed all public schools in Arkansas through April 17. **CRA will also be closed.** There are many things we do not know, but here are some plans for the next several weeks. We will communicate any new information as soon as we have it.

All school events and trips through April 17 are canceled.

March 23 through March 27 is Spring Break. AMI days (or "CyberDays," as we have called them) **will continue March 30 through April 17.** The teachers are designing AMI work that can be completed electronically if possible. If your child does not have access to the internet or to a computer or other connected device (tablet, phone, etc.), please notify the school.

AMI work will be due according to the following schedule. **All AMI student work for this week (March 17-20) will be due by 3:30 pm on April 1.** AMI work for the remaining days will be due by 3:30 pm daily according to the schedule on the following page.

These are unusual and difficult days for us all. The situation is fluid, and I receive multiple updates each day that inform my decisions and recommendations to the board. Since we are in uncharted waters, it is likely that complications and problems will arise. If you encounter a problem with AMI lessons or the technology associated with them, please do not panic. Contact the appropriate teacher, administrator, or other school official, and we will work together to resolve it. I ask for your patience as we make the best of a bad situation. Together, we will get through this. If you have questions or concerns about this communication, or about any aspect of our response to the COVID-19 pandemic, please contact me.

Raymond Lasley
Superintendent
